Learning and Skills Scrutiny Committee

Scrutiny Observations to Cabinet on 24th October 2023:

The Learning and Skills Scrutiny Committee met on the 17th October 2023 and considered the following documents:

Cabinet Paper – Newtown Schools
 Appendix A – Newtown Options Appraisal
 Appendix B – Newtown Engagement Report
 Appendix C – Newtown Impact Assessment

The Learning and Skills Scrutiny Committee thank the Portfolio Holder for a Learning Powys and Finance and Corporate Transformation and officers for attending scrutiny.

Scrutiny made the following observations:

- The Committee requested that:
 - That a Powys-wide vision document be made available to all stakeholders to inform of the direction of travel for the whole schools transformation programme.
 - Further work be undertaken on the long-term sustainability, including the equality of provision and the high number of vacant places, of schools in Newtown prior to decision and implementation of plans.

- The Committee remained unconvinced about
 - Using the North Powys Wellbeing Hub as an argument for merging Treowen CP School into an extended Calon y Dderwen campus, given that the associated funding from WG for this significant development to take place, has not been secured.
 - Whether the site for Ysgol Calon y Dderwen is the best site for a new school, considering that only 11% of pupils currently live within catchment. In addition, has exploration of any other potential site been undertaken.
 - The rationale behind schools with smaller numbers not being considered within the current transformation programme.
 - Plans for the future potential use of the Treowen school site if the school were to close.

- The Committee expressed concern:
 - Of the large number of available places (286) within Newtown schools, Committee cannot see a justification for building a new school.
 - That the proposals as set out, could potentially leave Maesyrrhandir CP School, in terms of maintenance and educational attainment in a modern learning environment, far behind other schools in the town.

- Of there being no solid basis provided within the reports for a merger of Treowen CP School over Maesyrrhandir CP School with Ysgol Calon y Dderwen, other than similar pupil profiling through FSM (Free School Meals) and ALN (Additional Learning Needs).
- Of the access to Calon Y Dderwen, the traffic congestion in the area, active travel routes for children across busy main roads.

Scrutiny's Recommendation to Cabinet that:	Accept (plus Action and timescale)	Partially Accept (plus Rationale and Action and timescale)	Reject (plus Rationale)
1 Assurance be urgently sought from WG in respect of secured funding for the North Powys Wellbeing Hub and subsequent extended build at Ysgol Calon y Dderwen.			
2 Assurance be given that the Cabinet will urgently address the high vacant places within schools in Newtown.			
3 Assurance sought for the dissemination to stakeholders of clear transport plans, given the current level of traffic congestion around Ysgol Calon y Dderwen, prior to any decision being made.			
4 The long-term sustainability of all schools in Newtown to be considered in the current plans, including the rationale behind schools with smaller numbers not being considered within the current transformation programme.			
5 The vision for the delivery of education in Newtown, and the whole of Powys, to be			

shared with all stakeholders.			
6 Assurance be given of equity of educational provision across all schools.			
7. Clarity is sought on the future potential use of the site.

 - That the previous safeguarding recommendations from Estyn relating to Health and Safety matters had been addressed.
 - There were no concerns of the quality of education provision or management standards at Irfon Valley CP School, with reason given for falling numbers was the lack of afterschool provision.

 - Regarding the admissions policy and request this be reviewed at the earliest opportunity.
 - The cost of transport within the report at £46k, was this in relation to all pupils or the current number of 19 remaining in the school.
