QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Response by the Cabinet Member:

Whilst it is not our policy to respond formally to unsubstantiated comments made by non Cabinet members I welcome the opportunity to update members on progress in respect of PRU provision.

A comprehensive business case is being completed and therefore no decision has been made as to what the future of the PRU provision in Powys will look like – a number of options remain under consideration – and these will be scrutinised through the relevant pathways in the council before being submitted to cabinet for a decision to be made.

An advert has been sent to all headteachers to forward to appropriate staff with information about a secondment opportunity for the Newtown PRU from September 2024. This allows us to provide stable and flexible leadership at the site and provides a development opportunity for a member of staff while options are finalised. The salary for the post was not published as it is a secondment position and therefore would be dependent on the secondees current salary.
