### AGENDA

<b>1.</b>	<b>APOLOGIES</b>
-----------	------------------

<b>2.</b>	<b>EXEMPT ITEMS</b>
-----------	---------------------

The Monitoring Officer has determined that category 1 of the Access to Information Procedure Rules applies to the following item. His view on the public interest test (having taken account of the provisions of Rule 14.8 of the Council's Access to Information Rules) was that to make this information public would disclose personal data relating to an individual in contravention of the principles of the Data Protection Act. Because of this and since there did not appear to be an overwhelming public interest requiring the disclosure of personal data he felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider these factors when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.
