- 1.2. The moratorium of Traffic Regulation Orders was partially lifted in September 2012 by Cabinet specifically to permit loading and waiting restrictions to be made or modified.

**2. Background**

- 2.1. A review of the existing waiting prohibitions on the county highways within the village of Llanrhaeadr YM has been undertaken with the Community Council and the local County Councillor.
- 2.2. Problem locations have been identified over a period of time by the local bus service operator, the police, the community council and the local member.
- 2.3. A number of meetings and discussions have taken place to identify where prohibitions need to be modified to address nuisance and inconsiderate parking within the village.
- 2.4. Proposal plans to address these concerns have been drawn up and considered by the community council and the local member; and subsequently modified to accommodate requested revisions which were supported by the local highway authority.
- 2.5. The community council and the local member have expressed their support for the extents of the modified waiting proposals.

**3. Proposal**
