

CYNGOR SIR POWYS COUNTY COUNCIL.

**RADNORSHIRE COMMITTEE
17th JANUARY 2018**

REPORT AUTHOR: Jo Lancey

SUBJECT: Safe Routes to Trunk Road Schools – Side Road Orders
Crossgates and Trefonnen

REPORT FOR: **Decision / Discussion / Information**

Summary

Welsh Government have undertaken a package of works to provide variable speed limits on the Trunk Roads, around schools where 20mph speed limits are not currently in place. In this fifth round of proposals within the NMWTRA area and 10 schools within Powys are being considered 6 in Montgomeryshire and 2 in Breconshire and 2 in Radnorshire

Proposal

It is proposed to provide a part time 20mph speed limit that will be in operation during the school opening and closing times. The schools in Radnorshire are Crossgates CP School and Trefonnen CP School.

The proposal for Crossgates is to introduce a part time 20mph along the A44 to ensure that vehicular speeds are low on the approaches to the school.

It is proposed to extend the part time 20mph speed limit into Trefonnen Lane, Llandrindod Wells to the terminal signs of the existing 20mph zone. This will provide a consistent speed limit when the 20mph limit is in force.

One Powys Plan

Stronger, Safer & Economically Viable Communities – The proposal will reduce traffic speeds and make the environment outside the schools safer for the community and particularly vulnerable road users during school times.

Options Considered/Available

Option 1 Do Nothing – There will still be a mandatory part time 20mph speed limit implemented on the Trunk Roads but no additional work carried out on County Roads.

Option 2 Implement the proposal – This will reduce speeds along walking routes to and from the school, improving road safety for vulnerable road users.

Preferred Choice and Reasons

The preferred choice would be Option 2. These will improve the safety of the route to and from the school, particularly at school times. The costs for the Traffic Regulation Order and the signing scheme will be borne by Welsh Government.
