

POWYS PUBLIC SERVICE BOARD

Amendments to Powys Well-being Plan following consultation

Title page - Towards 2040 as title for plan

Page 4:

Local objective wording changed: People in Powys will be connected **by strong** communities and a vibrant culture

Page 5:

Steps have been reordered to reflect community views

Merged step: Actively engage with residents, communities and key stakeholders to promote, shape and deliver our vision for 2040.

Replacing - *Actively communicate with key stakeholders and seek further joint opportunities to ensure delivery of the vision for 2040 and Engage with residents and communities meaningfully and appropriately in shaping delivery of the vision*

Merged step: Work with and influence others to improve our transport infrastructure, our existing transport links and develop a sustainable and integrated approach for planning and delivery.

Replacing - *Improve transport links, developing a sustainable and integrated approach for planning and delivery and Use our power and influence to improve physical transport infrastructure (including road, rail, water and air)*

Merged Step: Develop a holistic approach to skills and lifelong learning, which offers a range of formal and informal opportunities, including apprenticeships and traineeships

Replacing: *Develop a range of lifelong learning opportunities, collaborating with strategic partners to deliver specialist learning, skills and careers opportunities, including the possible creation of a higher education establishment and Create new apprenticeship opportunities in a joined up way across Powys PSB member organisations and beyond the public sector.*

Reworded step: Work with and influence others to ensure improved digital infrastructure for Powys.

Additional step: Develop a sustainable environment strategy: by strengthening activity to deliver the sustainable management of Powys' natural resources through coordinated conservation work and actions underpinning the Nature Recovery Plan and Natural Resources Wales Area Statement(s)

Merged step: Implement more effective structures and processes that enable multiagency community focused response to wellbeing, early help and support. (approved by RDP)

Replacing: *Implement more effective structures and processes to improve multi-agency working and Create multi-agency, community focused responses to prevention and early help*
