### **Representations regarding the 2011/12 financial statements**

This letter is provided in connection with your audit of the financial statements of Powys Pension Fund for the year ended 31 March 2012.

I confirm that to the best of my knowledge and belief, having made enquiries as I consider sufficient, I can make the following representations to you.

### **Management representations**

#### **Responsibilities**

I have fulfilled my responsibilities for the preparation of the financial statements in accordance with legislative requirements and the 2011-12 Code of Practice on Local Authority Accounting; in particular the financial statements give a true and fair view in accordance therewith.

I acknowledge my responsibility for the design, implementation, maintenance and review of internal control to prevent and detect fraud and error.

#### **Information provided**

We have provided you with:

- full access to:
  - all information of which we are aware that is relevant to the preparation of the financial statements such as books of account and supporting documentation, minutes of meetings and other matters;
  - additional information that you have requested from us for the purpose of the audit; and
  - unrestricted access to staff from whom you determined it necessary to obtain audit evidence.
- the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud;
- our knowledge of fraud or suspected fraud that we are aware of and that affects Powys Pension Fund and involves:
  - management;

- employees who have significant roles in internal control; or
- others where the fraud could have a material effect on the financial statements.
- our knowledge of any allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, regulators or others;
- our knowledge of all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial statements; and
- the identity of all related parties and all the related party relationships and transactions of which we are aware.

### **Financial statement representations**

All transactions, assets and liabilities have been recorded in the accounting records and are reflected in the financial statements.

Significant assumptions used in making accounting estimates, including those measured at fair value, are reasonable. Whilst we recognise the subjective nature of determining the fair value of private equity investments we confirm that the valuation received by the Pension Fund in respect of these investments have been properly accounted for and disclosed.

Related party relationships and transactions have been appropriately accounted for and disclosed.

All events occurring subsequent to the reporting date which require adjustment or disclosure have been adjusted for or disclosed.

All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to the auditor and accounted for and disclosed in accordance with the applicable financial reporting framework.

The financial statements are free of material misstatements, including omissions.

### **Representations by Powys County Council as administering authority for the Powys Pension Fund**

We acknowledge that the representations made by management, above, have been discussed with us.

We acknowledge our responsibility for the preparation of true and fair financial statements in accordance with the applicable financial reporting framework. The financial statements were approved by the Audit Committee on 28 September 2012.
