### WAO Joint Review – Welshpool Redevelopment

**Purpose of Report:** Progress report

At its meeting in January 2013, the Audit Committee considered the report of the joint review into the Welshpool redevelopment which had been instigated following allegations made to local Members.

Although the review was thought to be complete, there remained some issues which Local Members believed had not been fully addressed. The Committee agreed that the evidence would be reviewed and a further meeting would be held between WAO, the Strategic Director and Local Members to finalise the matter.

This meeting was held on 22 April 2013 and outstanding issues were resolved.
