11.	NEW WAYS OF WORKING - MEMBER MEETINGS – AMENDMENT
------------	--

Proposed Amendment:

That the Recommendation is reworded as follows:

From:

- . Continue with the current working arrangements
- . Task Scrutiny chairs to determine, with their committee, how they would like to work
- . That each committee meet at least twice a year face to face.

To:

- . Continue with current working arrangements with an annual review to be discussed at Democratics Service Committee.
- . Task Scrutiny chairs to determine, with their committee, how they would like to work.
- . That each committee meet at least twice a year face to face.
- . That the chair of Planning Committee can also determine when meetings need to take place on a face-to-face basis based on the content of planning applications.

Proposed by: Cllr Graham Breeze.

Seconded by: Cllr Heulwen Hulme.

Financial Implications

Planning committees are currently hybrid meetings and this is proposed to continue in the report with 2 face to face meetings per annum. The difference in cost for a planning committee held as hybrid opposed to face to face is £471, (£673 to £202). If the Chair determines that more than 2 face to face meetings should take place, each would cost an additional £471 so with up to 17 meetings per year an additional cost of a maximum of £7,065 could be incurred.
