-----------	---	-------------------

The Cabinet of Powys County Council is, and will be making substantial changes to the provision of Primary and Secondary Schools within the County.

Many Members of the Council have been contacted by residents who have expressed concern that the Cabinet (Maximum of 10 members) are the only Councillors involved in taking the final decision about the future of Powys schools. These decisions are of such significance to Powys it is important that the whole Council should share that responsibility.

Council therefore calls for the constitution to be amended as a matter of urgency to allow for all decisions in relation to Primary and Secondary Schools proposals under the Council's Transformation Policy to be undertaken by all members of Council.

Proposed by County Councillor Gary Price  
Seconded by County Councillor Aled Davies
