

Decisions taken by Individual Portfolio Holders

**County Councillor P Davies
Portfolio Holder for Highways, Recycling and Assets**

**Decisions Taken 2 November 2018
Decisions Published 2 November 2018
Decisions Effective 12 November 2018**

**Information Management: Income opportunities through
commercial storage and records management**

DECISION	Reason for decision:
To support the proposal that storage along with a records management service by the Council's Information Management Service is marketed to external organisations.	To support the key objectives and principles of the Council's Income Management and Service Cost Recovery Policy January 2016, which includes provision for income generated from fees and charges to the public, business and other organisations.
