QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Kathryn Silk
Subject:	Use of Lamp Posts as Charging Points for Electric Vehicles
Question To:	County Councillor Heulwen Hulme Portfolio Holder for Environment

Question:

Further to the Cabinet Member's answer to my question about the use of lamp posts as charging points for electric vehicles, what difference is there between lamp posts in Powys and lamp posts in London such that it is not "feasible or safe" to install charge points on Powys lamp posts whereas over 1,000 lamp posts in London have been so enabled?
