Question To:	County Councillor Graham Breeze Portfolio Holder for Corporate Governance and Engagement

Question:

In view of the proposed restructure of democratic services, committee services & member support service & concerns raised about the possible impact this may have on the scrutiny service & risk of increased need and costs of use of external support for scrutiny, can you confirm the level of costs incurred by the council on external scrutiny consultant support for the period Sept 2014 to date including details of daily rates, number of days and travel and accommodation expenses, to include consultants employed via or in conjunction with CFPS, Public Governance Wales and/or Learning for Leadership Cymru as well as in their individual capacity.
