QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Matthew Dorrance
Subject:	Inspection and Servicing of Heating Systems in Council Houses
Question To:	County Councillor James Evans Portfolio Holder for Economic Development, Housing and Regulatory Services

Question:

I understand that the Council is failing in its duty to properly inspect and service heating systems in Council houses.

Why has the Council failed to properly protect tenants, what is it doing to put the problem right and how can our tenants have confidence in the Council to make sure they are not put at risk?
