QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Iain McIntosh
Subject:	Off Street Car Parking Charges
Question To:	County Councillor Heulwen Hulme Portfolio Holder for Environment

Question:

“During this pandemic period many people are following government advice and staying at home. Unfortunately, in some parts of Powys, this has resulted in many streets and residential roads becoming congested as residents try to avoid having to pay for their vehicles to remain unused while they stay at home.

Will the council consider suspending off street car parking charges, where appropriate, to reduce this congestion and provide better access for NHS workers, social carers, volunteers and the emergency services in these areas?

If implemented, this will also reduce the risk of virus transmission through the use of car park ticket machines.”
