QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Gareth Ratcliffe
Subject:	Insurance Companies – Support for Businesses
Question To:	County Councillor Rosemarie Harris Leader

Question:

There are signs that insurance companies are avoiding paying businesses support as coronavirus is not named in the policy statements thus not validating claims. Whilst we are in unprecedented times will you support businesses in the call on National and Welsh Government to investigate these companies.

Businesses are paying large amounts in insurances each year and if they are not honouring the policies that businesses purchase then it will have a detrimental impact on businesses in Powys not just now but in the future if businesses are to survive.

Are you able to advise how you will be able to support the businesses of Powys as well as lobbying a fair playing field for businesses when dealing with insurance companies?
