QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Jackie Charlton
Subject:	PPE
Question To:	County Councillor Myfanwy Alexander Portfolio Holder for Adult Social Care and Welsh Language

Question:

PPE

We have had very good assurance today from you that PPE equipment is now being accessed by care and nursing homes across Powys with deliveries covering the critical period of the Easter break ensuring a full supply is readily available. In the news just today on BBC Wales it would seem a care home in Criccieth, Gwynedd has, in the last few days, been refused PPE from her supplier as equipment was being reserved for homes in England. Can you give reassurance that the Powys supplier will not do this. Welsh Government have confirmed contingency planning is in place but does not provide further information.
