QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Liz Rijnenberg
Subject:	Continuity post pandemic - Homelessness
Question To:	County Councillor James Evans Portfolio Holder for Economic Development, Housing and Regulatory Services

It was heartening to hear the commitment made at the PCC Covid briefing on 7th May that homeless people accommodated as a result of the pandemic will not be returning to the streets, or to unsuitable accommodation. It was noted that given the complex risks and needs of families and individuals a multi -agency approach will be in place to achieve this outcome.

Question:

As PPC prepares for this next phase:

Is there a multi-agency plan in place (or being prepared) to address continuity for those accommodated during the pandemic?

What actions are being taken to ensure tenants can sustain properties post pandemic?

How will the plan be financed?

What specific risks have been identified and how they will be mitigated?
