QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Elwyn Vaughan
Subject:	Abermule Waste Recycling site
Question To:	County Councillor Heulwen Hulme Portfolio Holder for Environment

Question:

In view of the huge fires in recent days and weeks at waste management recycling sites at Lampeter and at Wrexham, causing huge disruption, and the fact that the proposed new facility at Abermule is located between the main railway line and major trunk route, will Powys council review the fire control at the site.

Will it also confirm if it will have insurance cover for fire risks and in view of the proximity of the River Severn, and the huge amount of polluted water that would be involved with such a fire, please confirm how pollution of the water courses will be avoided.
