QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Pete Roberts
Subject:	Evaluation of electronic delivery of education in Powys
Question To:	County Councillor Phyl Davies Portfolio Holder for Education and Property

Question:

Could the portfolio holder outline what research work has been undertaken, and what results and conclusions the service has reached based on the research, to examine the effectiveness of the e-ysgol system as a means of delivering post 16 education in Powys.

Can he also outline the evidence that has been gathered to indicate how successful this platform and others have been in delivering the curriculum during the school closure phase of this epidemic.

If no research has been undertaken to date can he outline what information the service expect to have at the end of the catch up phase we are now in to help inform plans for the new academic year.
