## **QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS**

<b>Question From:</b>	County Councillor Liz Rijnenberg
<b>Subject:</b>	Free parking spaces
<b>Question To:</b>	County Councillor Heulwen Hulme Portfolio Holder for Environment

### **Question:**

PCC has removed free parking spaces from our towns to protect against the spread of disease. The latest message from PCC indicates that only 50% of displaced parking will be provided in town car parks. The rationale given for only 50% being replaced is in order to promote 'Street Scene'/green agenda.

This decision goes against the commitment from PCC to help kick start local businesses and in effect sets up a trade-off between these two agendas which is unhelpful at this particular point in time.

Please provide the evidence which informed this decision being made at a time when local businesses are looking to PCC to supply the displaced spaces one for one.
