QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Response by the Portfolio Holder:

Thank you for your question sent on 6 July 2020.

Measures to safeguard pedestrians using the available “on street parking” provision have / are being installed across the county. As you suggest this has not been received well by businesses as they see it as a reduction in available on street parking and a detrimental effect on their ability to trade.

A paper will be taken to Cabinet tomorrow [21 July 2020] with proposals to review free parking in the county and the effect on businesses and I will be able to update you further following that meeting.
