## **QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS**

Response by the Portfolio Holder:

The MEAGRT grant which is used to support the education of BAME groups of pupils, will be used to fund a specialist teacher and family liaison officer to support schools, pupils and their families. Our 3 year analysis of outcomes indicates that most ME and many GRT pupils generally perform equally as other pupils across all phases.

For information, when schools re-opened on 29th June 2020, over the four weeks, the attendance of our ethnic groups in schools has been good averaging 68.8%.

We've identified a lead officer for this work – Hayley Smith. She is putting an action plan in place to address the following:

- Training
- Systems
- Leads in each school
- Better use of grant funding
- Data collection systems
