The Impact of COVID-19 on Provision of Daytime Opportunities in Powys

DECISION

For social workers to work with individuals and their carers to support them to utilise different methods of achieving what matters to them while the day centres/services remain closed.

For Adult Social Care to undertake an evaluation of the implications of maintaining closed day centres/services in the longer term (recognising that physical distancing will be required for some time), including listening to the views of day centre users, and to return to Cabinet with the findings in order to enable informed decision making about the future of day services across the county.
