QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Jackie Charlton
Subject:	Large recycling bins in car parks
Question To:	County Councillor Heulwen Hulme Portfolio Holder for Environment

Question:

In recent weeks many residents in my ward have been asking me why some communities have large recycling bins in car parks across Brecknockshire and others don't? Powys has a very successful kerbside recycling system which is highly valued. But in these times of increased home deliveries, the blue box is just too small for the amount of card which each household is accumulating.

Could you tell me the cost of placing a card recycling unit in the community and why some have them and some don't?
