QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Response by the Portfolio Holder:

I can confirm that the Education Department still own the properties on the Penlan site as they were originally used as caretaker/school staff houses. Both houses were included as part of the demolition order that received planning consent to coincide with the demolition of the former high school.

The main reason being, that they were no longer fit for purpose and would have needed a large amount of money spending on them that made them unviable and they also contain asbestos. A member of the Education Property Maintenance Team has confirmed that the demolition is due to take place early in the new year.
