QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Elwyn Vaughan
Subject:	Bird flu
Question To:	County Councillor James Evans Portfolio Holder for Economic Development, Housing & Regulatory Services

Question:

With the Chief Vets from England, Scotland, Wales and Northern Ireland having taken a joint decision to raise the level of risk of bird flu arriving in Wales from 'low to medium'; and bearing in mind the importance of the poultry sector now to our agricultural sector in Powys; what steps and plans are being put in place to ensure that such a threat doesn't have a detrimental effect on our farming sector and communities as happened when we had foot and mouth.
