QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Gareth Morgan
Subject:	Planning Policies
Question To:	County Councillor Iain McIntosh Portfolio Holder for Housing, Planning and Economic Regeneration

Question:

Will the Council's Planning Policies permit dwellings to be built to Passivhaus standards so that new developments leave as low a carbon footprint as possible in respect of heating and other energy needs? Will the Council thus become more flexible about materials used in construction and external appearance so as to meet these needs and to keep the embodied energy of the building as low as possible?
