## **QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS**

Response by the Portfolio Holder:

When amendments to planning applications are received, further consultation is undertaken by the Planning Service where appropriate and in line with regulatory requirements. All amendments to planning applications are uploaded to the Council's planning application website and I confirm that work is in progress by the Service to introduce a registration system to enable anyone interested in a particular application or to applications that might be received within a defined area to receive notifications by email when new documents are uploaded to the website. All members will be informed of this facility when it is available.
