## **QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS**

<b>Question From:</b>	County Councillor Jon Williams
<b>Subject:</b>	Waste and Recycling
<b>Question To:</b>	County Councillor Heulwen Hulme Portfolio Holder for Environment

**Question:**

Could the portfolio holder for waste and recycling please explain why the waste and recycling service within Powys County Council is not being competitive for businesses in the county? A new business within my town was recently quoted half the price to provide business waste services from a firm in south Wales compared with Powys County Council. This has been raised many times within council meetings and member development forums with promises of change but this is not happening. Why is the portfolio holder not promoting the Powys pound mantra and ensuring that the service within county is competitive?
