QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Jon Williams
Subject:	Gritting
Question To:	County Councillor Heulwen Hulme Portfolio Holder for Environment

Question:

Could the portfolio holder please explain, why with the current restrictions on officers working from county hall in Llandrindod, the service are fully gritting the road leading to and car park around county hall when there are virtually no staff using the building. Is this happening with all other council buildings that are not being used? It seems a total waste of tax payers money to grit an area that is not being used when there are other areas such as nursing homes that are in dire need of precautionary gritting. Also, it has been reported that the gritting area routes have not been reviewed for 20 years, how has this been allowed to happen and why is the portfolio holder unwilling to react to small changes that are desperately needed now to protect some of the most vulnerable residents.
