QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Response by the Portfolio Holder:

The timescales for applying into this fund have been extremely tight, as you suggest but unfortunately this is what has been imposed on us by UK Government. We were expecting that any applications we receive would relate to project ideas that were very much already in development, rather than organisations desperately trying to come up with ideas to fit the funding from scratch.

Every local authority has to submit their shortlist of applications to UK Government by 18/6/21, however, we need to allow time to appraise all applications against the UK Government Gateway criteria, for the application & appraisal forms to be reviewed by an internal projects board and for the cabinet to endorse any decisions regarding the shortlist in their meeting scheduled for 15th May. We have managed to allow a 4 week period for applications to be developed and submitted for consideration.

I have attached a list of application deadline for all local authorities in Wales and you will see that Powys has taken the middle ground as regards to deadlines.
