QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Kathryn Silk
Subject:	Waste plastic recycling or safe disposal
Question To:	County Councillor Heulwen Hulme Portfolio Holder for Environment

Question:

A recent report from Greenpeace has highlighted that UK waste plastic is being dumped in landfill or burned on sites in a number of countries overseas. Whilst recognising that Wales is one of the world's leading recyclers, can the Portfolio Holder explain what due diligence is undertaken to ensure that all single use plastics are disposed of safely or recycled so that householders in Powys can be absolutely certain that their waste plastic is not contributing to pollution in less developed countries.
