QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Response by the Portfolio Holder:

Thank you for the question. I have discussed this with the Communications and Democratic Services Teams and propose a weekly generic social media post that takes people directly to the Calendar of meetings on the public website: [Calendar of Meetings](#)

In this way, people will see the meetings that are taking place that week / month and if there is a particular meeting they are interested in, they can click on it and it will take them directly to that agenda / documents and the link to view it online.

Listing the meetings taking place each week is problematic on Twitter as we are limited to 240 characters and a test following your suggestion for a week's meetings was over the limit by almost 200 characters.

The generic approach will also mean that the Council will not miss out any meetings in the listing in error or include a particular committee that has been cancelled as this site is regularly updated.
