QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Pete Roberts
Subject:	Blended meetings
Question To:	County Councillor Beverley Baynham Portfolio Holder for Corporate Governance & Regulatory Services

Question:

With infection rates in Powys now exceeding 400/100k for the first time and the evidence of vaccine escape becoming clearer by the day will the portfolio holder reassure me that we will only be returning to the chamber when a fully tested system that will allow hybrid meetings to occur has been implemented.

Will they agree with me that to do otherwise would be detrimental to our position under equalities legislation due to its impact on members where either they or members of their household are clinically vulnerable or unable to receive a vaccine on health grounds?
