| Question From: | County Councillor John Morris |
| Subject: | Llanbedr Church in Wales Primary School |
| Question To: | County Councillor Phyl Davies Portfolio Holder for Education and Property |

Question:

Following the Cabinet meeting on 9th November 2021 where the proposed closure of Llanbedr Church in Wales Primary School was discussed an official PCC press release was sent out in which you are quoted as saying.

“If this school is to close, then the learners would be attending schools that would be better equipped to meet the requirements of the new national curriculum and that could provide a wider range of educational and extra-curricular opportunities.”

Can you tell me which specific schools you were referring to in this area and what evidence you have to substantiate your comments?
