QUESTIONS AT ANY TIME TO HEADS OF SERVICE

Question From:	County Councillors Jackie Charlton, Liz Rijnenberg and Edwin Roderick
Subject:	Taxi accessibility
Question To:	Head of Property, Planning and Public Protection

Question:

Brecknock Access Group has been advised that people with disabilities are sometimes unable to obtain taxi carriage for a range of everyday activities they want to participate in. This is a particular issue if they have wheelchairs or other mobility aids.

There is a barrier here for people with disabilities which Powys may have a resolution to through the licencing process, where we understand there could be an issue both for taxi drivers and maybe for Powys.

To enable Brecknock Access Group to understand the issues involved are you able to provide information for residents of Brecon and beyond on whether there are trained taxi drivers licenced in Powys to help and provide a service for people with disabilities who don't have access to a personal vehicle or nearby public transport.
