QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Response by the Portfolio Holder:

The Council Tax raised through the premium is not ringfenced by the Council in this way but forms part of the overall Council Tax income. This is included in the Council's budget at an overall level in one budget line.

There is no requirement to ring fence these funds.

Services develop their Integrated Business Plans annually and these identify the resources required by each service to deliver their services ensuring that they meet any statutory obligations and the objectives of the Council. These are then considered at a corporate level to allocate resources. This ensures that the Council's resources (including Council Tax collected) are allocated corporately through the consideration and prioritisation of need. Councillor Myfanwy and the housing service will be able to advise you of what resource is allocated to support the delivery of the plan.
