<b>4.</b>	<b>YSGOL Y CRIBARTH PROPOSAL PAPER</b>
-----------	--

Cabinet considered a proposal to make a regulated alteration to introduce a Welsh-medium stream at Ysgol y Cribarth from September 2023. The school currently operated as a single stream English-medium school, but since September 2021, the school had operated a Welsh-medium Foundation Phase class as part of a pilot scheme. There were currently 20 pupils in the Welsh-medium class.

The introduction of a Welsh-medium stream would ensure that all pupils attending the school would have the opportunity to choose this provision, which would give them the opportunity to become fluent in Welsh and English. This would support the Council's aims and aspirations as outlined in the Welsh in Education Strategic Plan (WESP) for 2022-32 and the Strategy for Transforming Education in Powys.

County Councillor Elwyn Vaughan, the Chair of the Welsh in Education Strategic Plan, welcomed the proposal.

County Councillor Aled Davies, the Leader of the opposition, argued that the Cabinet should change the language category of Ysgol y Cribarth to Welsh-medium on a phased basis. It was explained that this was the start of the

consultation process and that if there was clear support for this approach the Cabinet was be advised of this. The proposal had the full support of the school.

**RESOLVED that Cabinet approves commencing the statutory process on the following proposal to move Ysgol y Cribarth along the language continuum:**

**To make a regulated alteration to introduce a Welsh-medium stream at Ysgol y Cribarth from September 2023.**

<b>5.</b>	<b>MOUNT STREET INFANT SCHOOL, MOUNT STREET JUNIOR SCHOOL AND CRADOC CP SCHOOL</b>
-----------	--

Cabinet considered a proposal to delay implementation of Phase 1 of the proposal to close Mount Street Infant School, Mount Street Junior School and Cradoc CP School from the 31<sup>st</sup> August 2023 to the 31<sup>st</sup> August 2024.

Cabinet was advised that following approval of the proposal in March 2022, an application was made for a judicial review of the Council's decision. However, this had not yet been considered by the Court, due to a backlog of cases. The delay in determining whether or not to allow this matter to proceed to a judicial review meant that there was now insufficient time to appoint a headteacher and complete all other necessary processes in time to implement the proposal in September 2023.

In response to comments from County Councillor Liz Rijnenberg which were read out, officers confirmed that an indicative timeline would be sent to staff, parents and governors although firm dates could not be given as they were dependent on when the judicial review was determined. Officers confirmed that learners and staff would be supported through the period of change.

**RESOLVED to delay implementation of the proposal to close Mount Street Infant School, Mount Street Junior School and Cradoc CP School for 12 months to the 31<sup>st</sup> August 2024.**

<b>7.</b>	<b>LEISURE SERVICES - ENERGY COST INCREASE MITIGATION PROPOSALS 2022-23</b>
-----------	---

Cabinet considered a report on emergency measures proposed by Freedom Leisure who manage and deliver leisure services on behalf of the authority to mitigate a predicted budget deficit position of £287k for the financial year 2022-23. Energy price inflation was causing an extreme financial challenge for Freedom Leisure in line with the leisure sector across the UK.

Freedom Leisure have proposed the following -

- a) To temporarily close the leisure centre buildings to the public in Llanfair Caereinion, Llanfyllin & Presteigne from 23<sup>rd</sup> December 2022 – 31<sup>st</sup> March 2023 (high schools to retain access to 'dry side' facilities only).
- b) To temporarily close the swimming pools in Llanidloes, Rhayader & Builth Wells from 23<sup>rd</sup> December 2022 – 31<sup>st</sup> March 2023 (to the public and schools).
- c) All other leisure centres/pools (not listed above) to close over Christmas from 23<sup>rd</sup> December 2022 – 3<sup>rd</sup> January 2023.

- d) To implement an increase to fees & charges (in line with CPI) from January 2023.

County Councillors Aled Davies, Beverley Baynham, Gareth D Jones, Karl Lewis, Elwyn Vaughan, Glyn Preston, Peter Lewis, Gwynfor Thomas and Angela Davies expressed their considerable disappointment at the proposal and the lack of consultation with local members. Several called for the matter to be considered by Scrutiny.

The Cabinet Member for a More Prosperous Powys committed to engaging with communities on the future of leisure services. He advised that the Cabinet had no part in negotiations with Freedom Leisure. The Monitoring Officer confirmed that as the proposals were emergency temporary there was no requirement to carry out a consultation.

All Cabinet members confirmed that they had read the report and the associated impact assessment.

## **RESOLVED**

- 1. That Cabinet acknowledge the significant impact of the current energy crisis on Freedom Leisure (and the Powys leisure centres) and accepts that the suggested emergency measures be implemented to mitigate and reduce the in-year deficit position.**
- 2. That Cabinet note that the service and Freedom Leisure agree communications to ensure staff, schools, the public and other stakeholders receive messages and information as appropriate.**
- 3. That a further report is brought to Cabinet or Portfolio Holder in the event that despite the measures in paragraph 3.4 there is a deficit at the end of the financial year.**
- 4. That Cabinet agree further work will be needed to provide options and proposals to determine the longer-term future and sustainability of the leisure facilities in Powys.**
