QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Response by the Cabinet Member:

Thank you for your question and apologies for the delay in responding.

I can confirm that a condition survey of Cradoc CP School, including the mobile classrooms will be undertaken as soon as it is possible to make the arrangements. The results of the condition survey will then inform future decisions around essential works that need to be undertaken and the serviceable life of the mobile classrooms.

The essential works (estimated total of £135,200) that are scheduled for the next 2 years are:

- 2022-23: Fire alarms & emergency lighting in main classroom & mobiles
- 2023-24 (provisionally): Replacement of the vinyl flooring in the main hall and refurbishment of toilets and cloakrooms. This is provisional dependant on ranking of these projects against other schools' priorities in the Schools Major Improvements programme.

I can confirm that the education of the pupils at Cradoc CP school will not suffer due to any essential works that may need to be carried out to maintain a safe and operational school environment until the new primary school in Brecon becomes operational.
