## **QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS**

Response by the Cabinet Member:

I think it's a great opportunity for the vehicle to be used in a creative way. However, as a number of Charities/Organisations have approached us in the same manner we need to take a fair approach.

As an Authority we also need to maximise the sale value to ensure we have sufficient funds within our replacement capital programme for vehicles.

Taking the above into consideration the Library Van will be going to auction. We fully intend on informing all interested parties that it can be purchased through the auction and to bid if they want.
