QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Elwyn Vaughan
Subject:	School energy costs
Question To:	County Councillor Pete Roberts Cabinet Member for a Learning Powys

Question:

With reports of one secondary school in England setting aside an additional 100k for energy bills; what assessment of extra energy costs has been made for Powys schools?

On that basis it would be at least an extra £1.3m for the 13 secondary campuses in Powys causing huge strain on our schools.

In view of the fact that schools budgets were set prior to the huge increases in energy costs; what extra financial assistance will be given to all schools to overcome this burden?
