QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Gareth E Jones
Subject:	Number of Children Transported to their Catchment School, which is not the closest School to their home address.
Question To:	County Councillor Jackie Charlton Cabinet Member for a Greener Powys

Question:

In the full Council meeting held on the 22nd of July, the Cabinet member for a Learning Powys confirmed that qualifying children are entitled to free home to school transport to both their closest school to their home address and their catchment school even if this school was not the closest school to their home address.

Could the portfolio holder please provide a breakdown of the number of pupils by school, who are transported to their catchment school which is not the closest school to their home address?

Can the response please exclude those children who are transported to their closest Welsh Medium School or unit and they receive their education through the Welsh Language.
