## **QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS**

<b>Question From:</b>	County Councillor Gareth E Jones
<b>Subject:</b>	Breakdown of Backlog of School Maintenance Costs
<b>Question To:</b>	County Councillor Gareth E Jones Cabinet Member for a Learning Powys

### **Question:**

I note from recent statements made by the portfolio holder and reported in the press that there is a backlog of maintenance in the council's schools amounting to over £76 million and that council tax would have to be increased by at least 20% to clear this figure over the next 5 years.

Could the portfolio holder please provide: -

1. A School by School breakdown of the £76 million giving the estimated backlog that is required: -
  - a. within a year
  - b. between 1 year and 5 years
  - c. Over 5 years
2. A breakdown of the backlog of maintenance figures by individual school for the 2017/18 year (or the closest year to that date which figures are available for), split into the same three periods (if available).
3. The details of the calculations he has used to arrive at the figure of a requirement of a 20% rise in Council Tax to clear this backlog over the next five year period.
