QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Amanda Jenner
Subject:	Salary for recycling workforce
Question To:	County Councillor Jackie Charlton Cabinet Member for a Greener Powys

Question:

As the portfolio holder, please can you provide a comparison of pay levels/ salary rates for our recycling and waste collection workforce against what other neighbouring local authorities in Wales and along our borders pay this workforce sector. You have previously provided information on the range of salary across Wales, showing that Powys is in the middle of this range. However, is there a concern that we are not competitive with our immediate neighbouring Councils?

Given that recycling and waste collection problems and delays continue week on week, causing difficulties for many of our residents, can you confirm that Powys's pay scales are as competitive as they can be in order to attract and retain people to work in this sector.
