1.	RESOLUTION TO EXCLUDE THE PUBLIC AND THE PRESS
-----------	---

The Monitoring Officer has determined that categories 1 & 2 of the Access to Information Procedure Rules applies to the following items. His view on the public interest test (having taken account of the provisions of Rule 14.18 of the Council's Access to Information Rules) was that to make this information public would disclose information relating to:

- (i) information relating to any individual
- (ii) information which is likely to reveal the identity of an individual.

These factors in his view outweigh the public interest in disclosing this information. Members are asked to consider these factors when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.
