QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Pete Lewington
Subject:	Car Parking Review
Question To:	County Councillor Jackie Charlton Cabinet Member for a Greener Powys

Question:

Following the conclusion of the final workshop reporting on Powys parking strategy on 10th January 2024 we were promised a final report setting out the results of the review and recommendations/conclusions reached by the end of January.

This promise was also enshrined in the recommendations in the car park review report authored by the Head of Highways and dated 19th September 2023 which stated that “the service will seek prompt conclusion of the review and we are expecting to report back in full no later than January 2024”

As the portfolio holder will remember as part of last year’s budget setting process car park tariff charges and increases were made that raised significant concerns from members and these very valid concerns led to the portfolio holder agreeing to this review.

Due to the importance of this matter to members and the wider Powys public and with decisions on this years budget looming can the portfolio holder tell me when she will deliver on her promise to publish this report.
