## **QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS**

<b>Question From:</b>	County Councillor Jonathan Wilkinson
<b>Subject:</b>	Holiday parks in Powys
<b>Question To:</b>	County Councillor Richard Church Cabinet Member for a Safer Powys

### **Question:**

Last night's BBC Panorama programme (11/3/24) highlighted the problem of some holiday park owners flouting regulations by allowing the permanent (residential) occupation of mobile homes/lodges on their premises. There was evidence of mis-selling by park owners causing considerable distress to those who had purchased these homes, and intimidation by park owners to those who dared to speak out.

Can the Portfolio Holder please give me reassurance that we have no holiday parks in Powys allowing residential use in contravention of their site licence.

Could I also be provided with confirmation that holiday parks in Powys are regularly monitored to ensure that regulations relating to occupancy are not flouted. I would also like information about the number of holiday parks in Powys where the enforcement of their site licence has been required (if any), and also how cases where a contravention is found would be dealt with.
