QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Question From:	County Councillor Jeremy Brignell-Thorp
Subject:	Temporary pothole repairs
Question To:	County Councillor Jackie Charlton Cabinet Member for a Greener Powys

Question:

Repairing potholes is a major challenge for the council at present. To cope with the high number of potholes being reported at present, the practice seems to be to do a temporary repair which will later be revisited to make a more permanent repair. Many of the temporary repairs only seem to last a few weeks before breaking up again.

Could you let me know what the relative costs are of doing a temporary repair, versus doing a more permanent repair, and how long the temporary repairs are expected to last.

My residents are concerned that making temporary repairs may save money in the immediate term, but will end up costing much more in the long term.
