

Neuadd y Sir / County Hall, Llandrindod, Powys, LD1 5LG

QUESTIONS AT ANY TIME TO CABINET PORTFOLIO HOLDERS

Response by the Cabinet Member:

Whilst we were not sighted on the joint venture between Shropshire Council and a private firm in Powys for a Pyrolysis plant the ambition of the Marches partnership is looking at energy production as a key focus which this project is looking to investigate. That being said we are still at the early stages of that partnership which was informed further by partner and member input at our meeting on 23rd April.

As we were not sighted on the project I am unable to comment on public or local member consultation but this will be required as part of the statutory process that would be required for planning consent if the project progresses to this stage.

Please be assured that the people of Powys remain our key focus whilst delivering our ambition of green energy under our Stronger, Fairer and Greener vision.
